

# AMERICAN CLAY

Naturally Beautiful Walls™

# LEARN TO PLASTER

## Saturday, May 12<sup>th</sup> 9:30 - 4:00

Join our hands-on workshop to learn the techniques for easy application of American Clay plaster.

You'll learn everything you need to do it yourself:

- Technical info and product history
- Application and mixing techniques
- Common problems and how to avoid them
- Custom techniques and special effects

*"I really like recommending American Clay to home owners. I love the texture of the product and the warming quality it brings to any room."*

**- Stephanie Wingate**  
*Interior Designer*
